

I: Example of how to explain assessment

Hello, my name is _____

I have come to see you because you are important and sometimes we need to check that you are happy and safe where you are living/at home with your family.

It is my job to make sure that you are safe and happy.

To do this we will talk to each other and I will listen carefully to what you want to say and what you would like to do.

Then together we will try to decide what would help you be happy and safe.

We can draw pictures, chat or play games.

I will write down what you think so I can remember.

This will help me to decide how to help.

If you or anyone else is being hurt then I will have to help make you safe.
